Sponsorship Opportunities

The Franciscan Life Process Center supports the healthy development, education and cultural enrichment of people of all ages throughout West Michigan. We do this through our music therapy services, land restoration efforts and other programs rooted in Franciscan values. We invite you to partner with us by becoming a sponsor of the **Franciscan Rhythms Trail Run & Walk**, an annual event that promotes health, wellness and healing through a connection with the arts and nature.

As a sponsor, you'll help cover the cost of music therapy sessions for individuals and families, **which are rarely covered by medical insurance** but have a profound impact on mental, emotional and physical well-being. Our board-certified music therapists serve around **300 clients each week**, helping them meet goals like reducing anxiety, aiding speech development, improving coordination and strengthening relationships. We are honored to work with individuals of all ages and abilities.

Your sponsorship also supports the continued stewardship of our **230-acre Lowell campus**, a beautiful space where our clients can grow and heal. Funds help us remove invasive species, care for our pollinator honeybees and maintain the ecosystem of the farmland. Being good stewards of God's creation is an essential part of our mission.

Sponsorship benefits include being recognized on our website and social media platforms, having your company logo in event marketing materials and our quarterly newsletter mailed to 7,000+ households and much more.

Please explore the **various sponsorship packages and benefits** offered for our Trail Run & Walk. As a sponsor, your generous donation will ensure continued access to exceptional music therapy services and preserve the natural beauty of our campus for all to enjoy. We will ensure community members are aware of your commitment to our programs, no matter the sponsorship level.

Thank you for your time and consideration. We are deeply grateful for your support of the Franciscan Life Process Center.

With gratitude,
